Certified ScrumMaster®

Accredited by

01 Course Overview

This CSM® certification course is focused on providing an improved understanding of Scrum methodologies and their implementation. If you're ready to grow more agile with Scrum, our Certified ScrumMaster® (CSM®) course is designed for you. You'll learn the Scrum framework and gain an understanding of team accountabilities, events, and artifacts as well as how to guide your team to apply Scrum. CSM training gives you hands-on skills that you can immediately apply in the real world and expand your career opportunities. Once you complete the course, you will have everything you need to take and pass the CSM exam.
